QUESTION YOUR TASTE

About

Basalt.Wines offers wine tastings, wine consulting, wine education and guidance to purchase and install custom wine storage installations all in their first wine boutique.

We position ourselves as wine experts, drawing on years of experience and deep knowledge in the field.

We're glad to educate you more about our selection of wines and help you out deciding which wine is the perfect choice for you, and you only. This way, everyone gets inspired by their own unique taste.

Our most important goal is that we help to create your wine story.
